

The background features decorative wavy lines in orange, blue, and pink. One set of waves is in the top right corner, and another set is in the bottom left corner, framing the central text.

Restorative Justice Practice

Professor Burrel Vann Jr

Restorative Justice

- Sees crime as **violation of relationships** and **disruption of peace** in community
 - Focuses on interrelationships b/w **three** constituents in crime
 - Victim
 - Offender
 - Community (neighborhood, society, etc.)
 - Aimed at **restoring peace and harmony** in community/amongst constituents
 - Sees incarceration as means of **temporary restraint**
- 

Restorative Justice...

...aims to repair broken relationships between constituents in a crime

Core Principles

1

Repentance

Remorse and radical
change of values

2

Forgiveness

Renouncing moral
right to anger

3

Reconciliation

Valuing the active
principles of the
community
